Email Response:

Linda: Any activity in the state requires authorization...there is no differentiation between online and traditional programs. A formal letter of response from this office dated April 20, 2015 has been forwarded to you indicating the requirement for authorization which is identical to the letter forwarded to you on December 1, 2014. I would like to recommend that we set up a time to discuss. Let me know when you are available. [REDACTED]

Dear Ms [REDACTED],

This is a follow-up to the request in the message below dated November 25, 2014. Could you please provide advisement to the previous message and additionally the message directly below?

Does [REDACTED] require only distance education programs with internships, clinicals or practicums to be authorized, or does the requirement extend to **OSU Ohio traditional programs** with internships, externships, clinicals or practica in [REDACTED] to be authorized?

Thank you in advance for your assistance-we greatly appreciate it.

Best,

Linda
